

DEVEN BLACKBURN

FULL STACK DEVELOPER

Creative, proactive, builder.

Passion for open-source, wine, community, and archaeology. Extensive experience improving efficiency of business technologies, processes, and systems. Coming from an association background, I've literally worked with thousands of businesses, startups, NGOs like the United Nations World Tourism Organization (UNWTO), and national/regional/local governments, like the Greater Fort Lauderdale Convention & Visitors Bureau (GFLCVB) over the past 10+ years. I am always looking for ways to improve just about everything I come across.

WORK EXPERIENCE

2016
-
TODAY

DEVELOPER | ALLIED STEEL BUILDINGS

As the sole developer, I'm responsible for the essentials like website creation, design solutions, updates, and SEO. As well as more advanced work with our CRM, marketing/lead-generation workflows, and a plethora of self-service virtual tools for our employees. I also assist with developing e-commerce platform built on React, www.allied.build. Tech used daily includes: Git, React, Golang, JS, Google Apps Script, WordPress, Codepen, and Zoho.

2016
-
2009

PROJECT MANAGER | INTERNATIONAL GAY & LESBIAN TRAVEL ASSOCIATION (IGLTA)

The job of many hats: started when company had only two employees to having full and part-time staff of 30+. Primary duties included extensive convention + board meeting planning, employee training and hiring, unofficial tech department, sponsor liaison, handled conference registration site, company site, conference app, and **email marketing**.

2014
-
2012

REALTOR | RAINBOW REALTY INC.

Small business owner / Licensed Realtor® - second full time job alongside IGLTA. Specialized in green, eco-friendly homes. Emphasized innovative/new marketing/tech with tracked results.
